Dear Friends of the Military Ridge State Trail:

After the last meeting, we decided we have not had enough fun this summer. The next meeting will be at Palmer and Lydia Haynes home on Wednesday, September 19. Their address is 9902 Blue Valley Road, Mt. Horeb. Their phone number is 437-4990. At map is enclosed.

We will begin to gather around 5:30 or so and eat when everyone arrives. After supper, we will have a short meeting. Actually, if past meetings are any indication, we probably won't stop eating until we go home. Palmer will provide some goodies for the grill. Everyone else should bring a dish to pass and any necessary serving spoons. I have plenty of paper plates and silverware. The Friends group will provide the beverages. Bill K. is assigned to bring the beverages to the meeting and always has a good mix.

Agenda items will focus on the final approval/documents for securing interim funding for the depot purchase, status of the link to Fitchburg, and the architect contract.

Look forward to seeing you on the 19th.

Linda Lynch
